Hello Laura,

Yesterday the Twinning committee talks about the programm as we talked about on the phone. They agreed on everything, so we can start organising.

They agreed on your visit the 8th and 9th of may, the annual twinning meeting in Ishøj and the Denmark cup in july. We will fill in the form as soon as possible for the attending of the tournament by two teams from Waalre.

We would like to welcome you on Sunday the 8th. I'd like to hear from you wat time you will arive and where, so we can make arrangements and a programm for that day/evening, and with how many people. For now I count on seven.

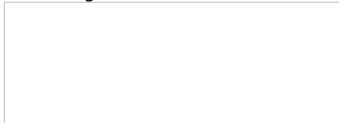

Another question: Is the annual meeting purely for politicians/civil servants, or is it possible to bring a representative of an (non-commercial) organisation in Waalre that deals with environment in Waalre?

Best regards!

Met vriendelijke groet,

Dear Sylvia

It seems like the dates for the twinning meeting in Ishøj will be the 16<sup>th</sup> and 17<sup>th</sup> of June, but I will let you know for sure very soon.

Have a nice holiday with your family.

Hello Laura,

I'm fine. I am looking forward to a week of skiing in Germany with my family next week.

Tonight we have a meeting with the Ishøj Twinning committee from the City Council about the twinning program for 2016 as we talked about on the phone. I will tell them about the date for the visit in may. I think it'll be fine, if there's a problem about the date after all I will let you know tomorrow. I'll count on seven people, you let me know how many people will come when you are sure. Then I can make arrangements with the hotel.

Tomorrow I'll let you know about the meeting tonight and the decisions made. The proposal for 2016 contains also the annual twinning meeting en the Cup Denmark. I'd like to hear from you about the date fort he annual twinning meeting.

Best regards!

Met vriendelijke groet,

Hallo Sylvia

I hope you are fine?

I have just been informed that the best dates for a visit in Waalre for our Mayor would be the 8<sup>th</sup> and 9<sup>th</sup> of May. We don't know yet exactly who will be attending, but it will most likely be the Mayor, Anders Hvid Jensen (the municipal director), two or three members of the city council, the Mayors secretary and perhaps myself. We will hopefully know very soon and I will of course let you know then.

I hope this is okay?

Dear Sylvia

Yes we have snow just now, what about you?

It is very fine if you call me Tuesday morning. I can already tell you, that we at the moment plan our annual Twin Town Meeting to be at the 18. – 19. of May and that we plan the theme to be something like: "Environment, green growth, urban planning and citizen involvement". So maybe it would be interesting to see if Waalre address these challenges in a different matter and that could be incorporated in the visit program?

I also hope that it will be possible to send relevant experts from the administration in Waalre to our twin town meeting at those dates.

I have also sent invitations (with snail mail) to CUP Denmark addressed to the Mayor. I hope you have time to organize some teams to come. The dates for the tournament is 28.- 31. July.

I look forward to speak to you too!

*Best regards*

Hello Laura,

How are you? Everything is fine in Waalre. Finally a little bit of winter. I saw a film on youtube about Arken in Ishøj and saw quite a bit of snow. Nice!

I've been busy with a lot of different matters and I would like to talk to you about the headlines for a twinning program for the year ahead. When we agree on that we can make a proposal to our mayors and city councils and start organising.

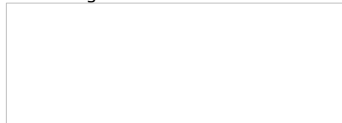

Of course we will have to talk about the visit in April in particular. First of all we will have to set a date and agree on the length of the visit. Of course we will make an interesting program, but I would like to hear from you if you have any particular wishes or fields of interest. If not, we'll make sure we can offer a good program.

I think it's best to talk to each other on the phone. Tomorrow I have a day off, Monday is full with appointments. Is it possible that I call you on Tuesday in the morning? If so: Can you give me your phone number? If not, let me know what moment is a better one.

Looking forward to contact you!  
Met vriendelijke groet,
