

**Notes:**

All units are given in metres.  
 Coordinate system is DKTM3. Levels are DVR90.  
 Existing conditions are shown in light grey.

**Legend:**

- TS - site compounds
- Site compounds
- Main site compounds
- Substations
- Third party projects
- Working area
- 1+000 Light rail chainage
- Cadastral boundaries
- Structures
- Municipal boundary

This drawing is based on survey data from the following sources:  
 - Land survey data from Konsortiet Mølback Tvillum, surveyed from July 2014 to July 2016.  
 - Mobile laser scanning from Terratec.no, surveyed August to November 2014.  
 - Aerial photogrammetric mapping according to the FOT-specification from Geodatastyrelsen and Danish municipalities, surveyed spring 2014.
