| * Under deck loom    | * Foot Pump          |

The XS 650 is a market leader, the sea keeping is exceptional and there is adequate deck space to seat 8 comfortably. The deck in the XS 550-700 is flat allowing seating to be placed allowing sufficient room for adults to travel in the rough in comfort. This craft can take single or twin motors at L or XL shaft. Beyond this length of craft you move to double axle trailers. With infinite options of layout and configuration this is a serious boat for serious use.

# Obevaringsrum foran styrepulten Nemt at komme til før & efter dyk

- Ekstra, åbent opbevaringsrum foran styrepult
- Fabriksmonteret i kraftigt fiberglas (Ikke metal som billedet)
- I fuld højde med styrepult

# Kraftig dykkerstige

- Fabriksmonteret på A-rammen for bedre stabilitet ved opstigning
- Gør opstigning nemt og sikkert for:
  - Den tekniske, tungt lastede dykker
  - Dykkere med begrænset fysisk styrke f.eks. Børn, dykkere med behov for at skåne ryggen eller kvinder med begrænset styrke i armene

## Fast monteret OXY-BOX -Sikkerhed i top

- Monteres som vist på billedet, højt over de to båd bokse
- Bemærk at dykkerstigen sidder på den ene side (Styrbord for skippers bedste overblik)
- Bådbokse og OXY-BOX sidder derfor på bagbord side.
